NOMAD AVIATION

Nomad Aviation AG is an international and family-owned Swiss company established 2008. Nomad Aviation AG, with headquarter in Zurich Kloten, provides private and business aircraft management services. Nomad Technics AG is based in Basel Airport and provides base maintenance, modifications and refurbishment service for mid-size jets and narrow-body aircrafts.

For our Part-145 aircraft maintenance department Nomad Technics AG at **Basel EuroAirport**, we are looking for further qualified, flexible and dynamic

Licensed Engineer Bombardier EASA Part-66 Cat B1

Your tasks:

- Acting as certifying staff in our 145 Base Maintenance organization
- Performance of routine and non-routine tasks and accurate documentation of the work carried out
- Performance of modification and SB's
- Performance of related operational and functional tasks incl. engine run
- Advanced trouble shooting experience
- Willing to work on other aircraft types

Your profile:

- Valid EASA **Part 66 Cat B1** with at least 3 years practical experience
- Type rated on following aircraft types; Challenger 300/350 / Challenger 604/605/650 / Global XRS/5000/5500/6000
- Experience as certifying staff on corporate and VIP aircraft
- You are used to work independently, reliably and accurately at all times
- Good team player skills, self-driven and pro-active attitude and the ability to work with fixed deadlines
- High level of flexibility in working times and multicultural teams
- Fluent in English (German or French is of advantage)
- Swiss or EU citizen
- Domiciled in the area of EuroAirport Basel

Apply:

Are you a passionate and dynamic person, who is looking for a versatile and varied position in a performance-oriented environment?
