Nomad Aviation adds a factory-new Bombardier Global 6000 to its charter fleet

Zurich, February 25, 2020 - Nomad Aviation increases the charter fleet following the addition of a Bombardier Global 6000 to its Swiss AOC which will be available for charter as of February 28th, 2020.

The Geneva based and factory-new Bombardier Global 6000 has a non-stop range of 6'000 nautical miles (11'112 km) at a cruising speed up to Mach 0.89. Onboard, passengers will enjoy a spacious and state-of-the-art cabin experience and an exceptionally smooth and restful flight thanks to the aircraft's advanced wing.

The luxurious 13 passenger, three zone cabin is custom designed and fully equipped meeting the various travel needs of different customers. Fully berthable seats that recline flat to create beds allow for maximum relaxation. The aircraft also features the latest satellite-based internet connectivity with Ka-band high-speed internet, with full streaming capabilities around the globe.

Nomad Aviation's charter fleet now comprises five aircraft: a Cessna Citation Jet 1+, a Cessna Citation Jet 2+, a Gulfstream G450, a Bombardier Global 6000 and an Airbus A319 ACJ.

Thomas Köhli, CEO of Nomad Aviation said: "We are pleased to announce the continued growth of our fleet and are certain that this Global 6000 being strategically well positioned in Geneva will be a major success. The aircraft combines range, speed, comfort, style and the latest technological features." "We are very much looking forward to providing our charter clients with a growing number of flight options as this aircraft perfectly complements our existing charter fleet," added Christoph Thurnherr, Nomad Aviation's Vice President Aircraft Management & Sales.
