

NOMAD AVIATION

Nomad Aviation AG is an international and family-owned Swiss company established 2008. Nomad Aviation AG, with headquarter in Zurich Kloten, provides private and business aircraft management services. Nomad Technics AG is based in Basel Airport and provides base maintenance, modifications and refurbishment service for mid-size jets and narrow-body aircrafts.

For our Part-145 aircraft maintenance department Nomad Technics AG at **Basel Euroairport**, we are looking for further qualified, flexible and dynamic

Aircraft Sheet Metal Worker

Your tasks:

- Performing sheet metal work in accordance with SRM, AMM, CMM and SB's / STC
- Evaluating structural damage to sheet metal systems, structures or items in order to plan and layout, repair and modification projects involving many different metals
- Developing patterns and templates lay out, cutting, forming, joining, assembling, and installing various aircraft metal structures
- Outfitting of A/C cabin (seat tracks inst., cabinets fittings and brackets) on various aircraft types
- Fabricating simple items using metal working tools and equipment, grinding corrosion, replacing anchor nuts and rivets, reaming holes, examining aircraft hulls for obvious defects, and patching skin/holes

Your profile:

- Minimum five (5) years of Aircraft sheet metal experience within a Part-145 aircraft maintenance company
- Knowledge of Equipment, Structure, Material, etc. (includes constructing, repair, and forging)
- Ability to interpret instructions, specifications, etc. (includes blueprint reading)
- You are used to work independently, reliably and accurately at all times with very good team player skills, self-driven and pro-active attitude
- High level of flexibility in working times and multicultural teams
- Fluent in English (German or French is of advantage)
- Swiss or EU citizen
- Domiciled in the Area of EuroAirport Basel

Apply:
