

# NOMAD AVIATION

Nomad Aviation AG is an international and family-owned provider of business aircraft management services since more than 12 years.

To reinforce the Flight Operations team, we are currently recruiting a **Falcon 7X Flight Attendant**. For this worldwide private owner operation we are looking for a passionate and dynamic team member with high communication skills, who maintain a high standard of flight safety, comply with the company regulations and provide professional services to our customer.

## **VVIP Flight Attendant (100%)**

### **Your Profile (Qualification/Experience):**

- Minimum five (5) years of professional experience and three (3) years' experience as VIP Flight Attendant desired (charter-, owner- or corporate ops)
- Guest relation and Catering (silver service) experience
- Professional interpersonal skills with a positive attitude, customer-oriented mindset and intercultural competencies
- Strong teamwork skills, impeccable reputation, personality of integrity, maturity and loyalty
- Excellent Presentation and flexible in the schedule
- Native German speaker and fluent in English
- CH/EU-Passport without restrictions
- Living in commutable proximity to Zurich (Switzerland)

### **Our Offer / Application:**

You can expect an exceptional and highly interesting professional challenge in an established and growing international company with a high level of personal responsibility. Experience a company that values your commitment and lets you become part of a friendly, professional and collegial working environment.

Qualified applicants should send their email with the following information to [pilot.job@nomadjet.eu](mailto:pilot.job@nomadjet.eu):

- a Cover letter with CV,
- possible entry date,
- salary expectation

We are looking forward to receiving your application!
