

NOMAD AVIATION

Nomad Aviation AG is an international and family-owned provider of business aircraft management services since more than 14 years and have with **Nomad Technics AG** as well to provide maintenance, modification and refurbishment services since 2018.

To support and develop Part-145 aircraft maintenance department, Nomad Technics AG at **Basel EuroAirport** is looking for a qualified, flexible and self-driven

Licensed Aircraft Engineer Airbus A320 Series / B737NG EASA Part-66 Cat B1

Your tasks:

- Acting as certifying staff in our 145 Base Maintenance organization
- Performance of routine and non-routine tasks
- Performance of related operational tasks
- Advanced trouble shooting experience
- Perform Modification / SB's
- Willing to work on other aircraft types

Your profile:

- Valid EASA Part-66 Cat B1 license and at least 3 years practical experience
- Type rated on Airbus 320 series and B737NG with minimum 3 years practical experience (other types are an advantage)
- Experience as Certifying Staff on Corporate and VIP aircraft
- You are used to work independently, reliably, safe and accurately at all times
- Good team player skills, pro-active attitude, innovative and the ability to work with fixed deadlines
- High level of flexibility in working times and multicultural teams
- Fluent in English (German or French is of advantage)
- Swiss or EU citizen
- Domiciled in the Area of the Airport

Apply:
